The risks, benefits and possible side effects of the Mind-Body Stress Reduction Program were explained to me in detail. This includes skill training in relaxation and meditation methods as well as gentle stretching (yoga) exercises. I understand that if for any reason I am unable to, or think it unwise to engage in these techniques and exercise either during the weekly sessions at Masterpeace Studios or at home, I am under no obligation to engage in these techniques nor will I hold the above named facility liable for any injury incurred from these exercises.

Furthermore, I understand that I am expected to attend each of the six (6) weekly sessions, the half day long session and to practice the home assignments for 30-60 minutes per day during the duration of the training program.
